The EAGLE

1952

Published
by
The Senior Class
of

Red Oak High School

Red Oak, Oklahoma

Dedication

The student body, faculty, and other personnel of Red Oak Public Schools, do dedicate this, the 1951-52 issue of the Eagle to Mr. E. T. Dunlap, with the fervent hope that it will bring back memories of the happy yesterdays that we lived together in Red Oak School.

Board of Education

The members of our Board of Education are ever alert to the needs of our community in planning an educational program for our children.

The outstanding objective of the Board is to provide the tools with which to build a type of school program that will supply the educational needs of all of the boys and girls of our district.

The tools which they are most concerned about are efficient teachers, good buildings, ample playgrounds, sufficient equipment and up-to-date teaching aids.

The members of the Board are, left to right: James Davis, Member; Dewey Wilburn, Clerk; Thomas Sides, President; Matthew Henry, Vice President; and Alvin Lessel, Member.

Superintendent

My association and work with the student body, personnel of the school, and the people of Red Oak School District is pleasant and enjoyable.

I sincerely hope that each boy and girl who attends this institution will get something that will inspire him or her to live a better and a more enlightened life.

In your search for truth may you find your answers. May you seek lofty ideals and in obtaining them may they bring to each of you success, health, friends, spiritual satisfaction, happiness, and a good home.

Charles C. Collins

Principal

For the short time that I have been associated with the students and personnel of the Red Oak School, it has indeed been a pleasure. Personally, I believe we have one of the best schools to be found anywhere in a community of this size.

It is my desire to see each student of this school choose a vocation and work toward that end, so he may better be fitted socially, economically, and spiritually, as a worthwhile citizen in our community.

May I commend the graduating class of 1952 and I sincerely wish each of you joy and happiness as you pursue your desired goal.
